The Quality
of Virtual
Studies

Newsletter #3

The aim of this project is to increase **the quality** of **teaching** / **learning** in
virtual learning environment (VLE) and the study process by creating
preconditions for recognizing the results obtained during virtual mobility.
QVS is a two year project (2021-2023).

Funded by the
Erasmus+ Programme
of the European Union

QVS project activities report

<u>Regular QVS project partner meetings:</u>
online meetings on 29 September 2022 & 17 January 2023
and a physical partner meeting on 25 October, 2022 in Zagreb, Croatia
hosted by Zagreb School of Business.

QVS Pilot project: online courses
**Goal:** testing of the developed teaching/learning methodology

Every partner institution offered an **e-course**
in the winter semester of academic year **2022/2023**
to their students but also
to students of other partner universities.
***
E-courses - *live* lectures on Zoom and use of Moodle platform
<u>Students could apply for an e-course of their interest:</u>

Career Design & Well-being / Kauno kolegija Higher Education Institution
Intercultural Management / Francisco de Vitoria University
Entrepreneurship / Savonia University of Applied Sciences
Integrated Marketing Communication & Digital Media / Zagreb School of Business.

Project Output
Handbook for online learning / teaching / training
material with info-sheets.
The practical video material created based on the developed VLE methodology
to be uploaded to the VLE website.
***
Pre and post-questionnaires for teachers and for students - results to be analyzed;
Video Report of the pilot e-learning project produced by School of Coding Limited (in progress).

Plan of future activities

VLE teaching/learning methodology application in practice.
Finalization of **VLE Guidelines / Handbook** and

translation in **four national languages** (in progress)
***
<u>Four local multiplier events</u>
of VLE teaching / learning methodology
to be organized in Spain, Lithuania, Finland and Croatia
by partner institutions.
Subthemes: concept, methods & competencies.
Every event will consist of two parts: theory and practice.
Time: early spring 2023.
***
Final partner meeting & conference
Hosted by Kauno kolegija Higher Education Institution, Lithuania (to be held in May 2023).

Participating partners:

Kauno kolegija Higher Education Institution
Francisco de Vitoria University
Zagreb School of Business
Savonia University of Applied Sciences
School of Coding Limited
